

We Invite *You* to a Special Bilingual Class This Lent!

This Lent come journey the Highway to Zion with us, traveling to the cities that Jesus himself passed through! This special six-week class will follow Pastor Mejia's sermon series for Lent, while taking a more in depth look at each city and the stories that make them special. We will travel through Cana, Nazareth, Capernaum, Jericho, Bethany, and Jerusalem together and have an opportunity to see some pictures and hear more about Michelle's recent immersion in the Holy Land.

Even *more* exciting, this class will also provide us an opportunity to learn some Spanish and to hear from our Hispanic neighbors as we share about our own cultural traditions and read the Bible stories together. We have invited those from our ESOL community to participate; so please come and be a welcoming presence for them!

The class begins February 28 and continues through April 4 (Easter Sunday)! We will meet during the education period each Sunday, 10:15am-11:00am, on the second floor of the Education Building.

I hope to see you there!
